*Coravin je jedinstven po tome što nam omogućava da vam poslužimo neka izvanredna vina na čašu bez vađenja čepa. Na taj način, prirodni proces starenja vina nije narušen, vino ostaje zaštićeno od kiseonika i samim tim u savršenom stanju.*

*Coravin is unique in that it enables us to serve you some incredible wines by the glass without pulling the cork. By doing so, the natural ageing process is not disturbed and leaves the wine protected from oxygen, and therefore in perfect condition.*

*Još 2010. godine, Jennie Kergoat-Ruelland, organizatorica visoko-profilisanih međunarodnih događaja, dobila je zadatak da organizuje svadbu princeze u Abu Dabiju.*

*Tražila je bezalkoholno piće koje bi upotpunilo meni, ali nije mogla da pronade ništa dovoljno prestižno za tako svečan događaj.*

*Kao strastveni hedonista, to joj je bilo sasvim dovoljno da krene u potragu — u potragu za stvaranjem sopstvenog bezalkoholnog penušavog pića.*

*Vratila se u Pariz i posvetila se receptu koji bi spojio suštinu francuskog načina života i savremene trendove u konzumiranju pića.*

*Provela je sate razvijajući i usavršavajući savršen balans sastojaka, sa istom pažnjom kao vrhunski zlatar — jer i najsitniji detalj i završni dodir moraju biti savršeni.*

*Back in 2010, Jennie Kergoat-Ruelland, organizer of high-profile international events, was asked to organize a Princesse' wedding in Abu Dhabi.*

*She was looking for a non-alcoholic drink to add the finishing touch to the menu and couldn't find anything prestigious enough to suit the event.*

*As an enthusiastic bon viveur herself, that was all she needed to set out on the quest to create her own non-alcoholic sparkling.*

*Back in Paris, she worked on a recipe that would combine the essence of French living and contemporary drinking trends.*

*She spent hours developing and fine-tuning the right balance of ingredients, with the same attention to detail as an expert goldsmith, where the finest detail and finishing touches have to be just perfect.*
